

ABC CREATE's mission is to work collaboratively to connect teachers with professional learning communities, tools, and best practices that will develop competent and technologically fluent students.

# ABC CREATE STEAM Showcase 2019: Skills for Today and Tomorrow

Wednesday, March 6, 2019, 8 AM – 3 PM

## WHAT TO EXPECT:

- Gain a better understanding of the 4th Industrial Revolution
- Connect with inspired and inspiring colleagues
- Experience peer-led breakout sessions highlighting classroom integration of creative technologies or project-based learning
- Become familiar with ABC CREATE's Learning Pathways
- Focus on educational approaches that help students to develop skills for the 21st Century
- Explore the ABC CREATE values of equitable access, collaboration, technological fluency, and innovative teaching + learning
