Teacher STEAM Camp

June 25-28, 2018 Plum Sr High School

Interested in incorporating more STEAM into your classroom?

All K-12 teachers welcome....NO experience required!

Elementary teacher?

- Try 3D printing
- Write an app
- Fly a drone!
- Write code to make a robot move
- Try virtual reality
- Create a light-up card with circuits

 All in a positive safe environment full of fun and experimentation.

Secondary teacher?

- Learn how to code and write apps
- Try virtual reality!
- Fly and program a drone
- Create a masterpiece with light-up circuits
- 3D print pancakes
- Learn how to incorporate all of this into your classroom
- Have time to experiment!

Space is limited! Register early!! Deadline: May 1

June 25th-28th, 2018 8:30 AM - 2:30 PM
